BY GEORGE....

As we have come to the end of another quarter in the parish fiscal year with the end of September, it is time once again to distribute the grants from the Deacon George Social Justice Fund. If you would like to nominate a charitable organization to receive a grant please remember that the organization has to be involved in the work of social justice helping the poor either locally, nationally, or worldwide. Although the organization doesn't have to be a Catholic organization it cannot be involved in any activities that are contrary to the teaching and practices of the Roman Catholic Church. Forms for nominations can be found in the stewardship tower in the narthex of the church, on the parish web site, or if you would like to pick up one or have one sent to you either by email or the US Postal Service just contact Lori in the Parish Office.

At this time also I want to express thanks once again to the outgoing members of the Deacon George Social Justice Fund Board who have completed their terms of service. Dave Koss served as a representative of the Parish Finance Council. Jacobus Donders served as a representative of the Parish Pastoral Council. Jennifer Nawrocki and Jim Frey served in at large positions having been appointed to such by me. They have done good work helping to get the Fund off of the ground and distributing the grants over the last few years. The new members of the Deacon George Social Justice Fund Board are: Tim Callery who will serve as a representative of the Parish Finance Council, Kathy Schwartz who will serve as a representative of the Parish Pastoral Council, and Angie Schmidbauer and Tom Paniwozik who will serve in at large positions having been appointed by me. If you have any questions or suggestions with regard to the Deacon George Social Justice Fund please feel free to contact one of these four or me. Also remember that by having the parish tithe of 5% we are constantly reminding ourselves of the necessity of the works of charity -- that out of every dollar donated in the collection at Mass 5% of that is going to benefit not ourselves in our selfishness but is going to help the poor somewhere in our community or nation or world. Charity is not something that is an option for us but rather if we truly want to be sincere followers of Jesus than charity is a necessity in our lives. The parish tithe and the Deacon George Social Justice Fund is our constant reminder of that. So thank you for your support of the Parish and thereby your charity to the poor.
